#### Условные обозначения

(synthetic)	— Особые требования — синтетическая основа.
	— Только оригинальная жидкость.

Каждая рекомендация носит общий характер, она основана на предоставленной ограниченной информации и не должна рассматриваться как техническая рекомендация для специфического использования / для решения какой-либо конкретной проблемы. Всегда убедитесь в том, что выбранный продукт отвечает требованиям и рекомендациям производителя техники. Ни TOTACHI INDUSTRIAL CO.LTD., ни ее афф / рованные компании не делают никаких заявлений и не дают гарантий, явных / подразумеваемых, в отношении любой рекомендации по использованию (включая вопросы количества и применимости для конкретного использования). Любое применение согласно данной рекомендации остается на усмотрение исключительно потребителя.
